

## ***Grateful for Growth Corporate Sponsorship: \$2,500***

Arma Dei Academy raises the standard in education by training students to *reason, discern, and aspire*. Corporate Sponsors have the opportunity to partner with Arma Dei Academy to support and further our mission to glorify God by providing an excellent classical Christian education founded upon a biblical worldview that equips students to live purposefully and intelligently in service to God and others.

Over the past 9 years, the Lord has blessed Arma Dei Academy with tremendous growth. Arma Dei Academy was founded in 2012 by four families who desired to pursue an excellent Christian education for their own children and for the greater good of generations to come. Arma Dei Academy (Latin for Armor of God) quickly grew from 9 students to over 300 students. In 2018, Arma Dei expanded into Phase I of a new structure on the adjacent 6.5 acres. By His grace, God continued to bring like-minded families. The Academy has responded to parental requests by designing a School of Rhetoric (high school), that will allow students to complete the final stage of a classical Christian education. Phase II construction began in May 2020 and is scheduled for occupancy in early 2021.

The completion of the Phase II facilities expansion will allow the Academy to serve additional students with expanded programming with increased Collaborative Homeschool options and through the School of Rhetoric, scheduled to open with 9th grade in the fall of 2021. By offering the culmination of a classical Christian education, students and families will receive the full-benefit of a complete, preschool through twelfth grade, Christ-centered program. Current students, as well as prospective students, will gain the advantage of an Arma Dei Academy education. Students will grow through the well-rounded, integrated, and vigorous education offered. Parents will value the investment made in educating their children in a setting that reinforces and discipless students in the Christian faith. The greater community will benefit from intelligent and thoughtful graduates who continue to pursue a purposeful life of *truth, beauty, and goodness*.

Arma Dei Academy Board of Directors is looking for corporate sponsors in the ***Grateful for Growth*** fundraising campaign. Our goal is to raise \$500,000. Will you please consider partnering with us today?
